Math and Science News

Students are working with fractions in the next 3 chapters of Math. We will add, subtract, multiply, and divide fractions.

In Science, students are continuing to study physical science. Scientific concepts in December will focus on the various types of energy.

ELA and Social Studies News

In ELA, students are preparing to present their Tropicana Speech on Tuesday, December 19. Students are also working on the skill of point of view and multiple accounts on the same topic in informational text.

In Social Studies, students are beginning their unit on Early Exploration.

Your child has been working very hard and continues to work to the best of their ability. I am very proud of their accomplishments and look forward to seeing their continued growth. They deserve a restful and delightful winter break!

We return to school on Monday, January 8, 2018.
