

Something Special's Going On Here!

The Villages Charter Elementary School (Intermediate Center)
February 2018

Music

We are working on our ensemble work with percussion instruments. We **LOVE** our xylophones and metallophones because they are melodic percussion.

We will resume our reading music skills as well.

February is Black History Month and we have some interesting ways to learn about it!

Our Buffalo Strings looks forward to performing for you at Founders Day at 12:30 and the Elementary choir will follow at 1pm right in front of the bleachers. Come enjoy the entertainment and fun games!

Never hesitate to contact us with questions.

Art

Here is what our artists will be learning in February..

2nd Graders are creating unique monsters based on Shel Silverstein's poem "The Worst" and writing personal characteristics. Next, they will be using symmetry to create butterflies.

3rd Graders are learning about how to create textures by "carving" into metal to create physical texture. Next, we will be studying the artist Chuck Close and doing a collaboration project.

PI opportunities available to help prepare for our April art walk!

PHYSICAL EDUCATION

This month we will be starting our floor hockey unit. Students will practice skills such as: dribbling, passing, trapping, and shooting. They also will learn how to use these these skills in a modified floor hockey game. We like to stress on the importance of effort, teamwork and sportsmanship.

In addition, we will continue our fitness conditioning once or twice per week.

¡Hola!

**¡Bienvenidos a la clase de Español!
¡Hola febrero!**

During the month of February, **Second Grade** students will finish their unit on clothing. We will be using learned phrases (used to buy and sell) to role play conversations at "La tienda" (the store). **Third graders** will round up their unit on food by writing, and then acting out mini-skits at the restaurant.

Both grade levels will work on their verbal skills, both at "la tienda" (store), and "el restaurante" (restaurant).

Please visit my page on the school's website to find out more detailed information on what we are doing each week.

Never hesitate to contact me with questions or suggestions.

¡Nos vemos!
