

# Something Special's Going On Here!

The Villages Charter Elementary School (Intermediate Center))

**April 2018**

## Music

**We are working on instrumental ensemble work. That would be lots of different parts playing at the same time. This is a great skill for our concentration.**

**Our Elementary Choir (2-5 grade choir members) will be performing with the Primary Honor Choirs and the High School Vocal Ensembles at The Sharon Morse Performing Arts Center in Spanish Springs! It is the finest venue in The Villages. Tickets are available NOW online or at The Villages Box office for Thursday, May 3rd at 7pm.**

**Never hesitate to contact me with questions.**

## Art

Here is what our artists will be learning in April.

**Our Art Walk is April 5th from 3:30-6:30pm in the IC building. I hope you can join us and see how creative our amazing artists have been this year.**

**2nd Graders** are creating 2D/3D watercolor "flying" kites. Next, they will be creating their own universe using oil pastels.

**3rd Graders** are creating an underwater ocean scene using watercolor. Next, they will be creating folk art pinch pots.

*Mrs. Shay Sanchez - [Shay.Sanchez@tvcs.org](mailto:Shay.Sanchez@tvcs.org)*

## PHYSICAL EDUCATION

This month we will be completing our Buffalo Fitness Testing. This includes: push-ups, curl-ups, Shuttle Run, Sit and Reach, and the mile run. Also, we will be starting a volleyball unit. We Teach the basic skills and play modified games Using a Beach ball.

Contact us for more information.

## Spanish

Ññ

¡Hola!

**¡Bienvenidos a la clase de Español!  
¡Feliz primavera! Happy Spring!**

During the month of April, students in Second grade will finish the unit about "La comunidad". We are currently working on the final project, where they create their "own" community (which they will present to the class), and the posters are looking fantastic!

Third graders are currently working on our unit on months, seasons, and weather. We are talking about dates, birthdays, and the weather in each season. Starting this month, third graders will also start working on review activities in preparation for our EOY exam.

Please, check my website for more information on what we are doing each week, practice opportunities (Quizlet), and also for PI tasks.

Never hesitate to contact me with questions or suggestions.

**¡Nos vemos!**
