

August 7, 2018

Dear Parents and VCS Families,

As part of our 2018-2019 Music curriculum, fourth graders will be learning to play the soprano recorder. The recorder presents a wonderful opportunity to introduce music reading and performance. By providing students a positive learning experience they will be encouraged to develop and enjoy an interest in music for years to come.

Through VCS, students will purchase two recorders for personal use. One recorder will remain at school in the Music room and the other recorder will be kept at home for personal practice and rehearsal.

The Music supply purchase is \$10.00 per student. This will include all music materials and curriculum supplies for the school year: printed music, two folders, two soprano recorders, recorder cases, cleaning rods, and props for performance.

There are different types and brands of recorders. In order to allow for a consistent sound and good quality instrument for our young musicians, it is highly recommended that all students order through VCS and begin their learning experience with a new recorder.

**Please return the completed order form and \$10.00 payment by:**

**Friday, August 31, 2018**

Cash or Check (payable to VCS )

Thank you for your support!
