

Dear Parents,

The students are allowed to bring an electronic device to school to read their books. We have discussed the rules and expectations while using these devices at school. I would like you to please refer to **pages 13 & 14 in the student handbook**. It will refresh your memory of what you read and signed at the beginning of the school year in regards to electronic devices at school. The students have been told it is not a requirement, it is only an option if they so choose. **The devices may not be used in aftercare.**

Kind Regards,

Ms. Koubek

Please cut and return the bottom portion to school

Please sign and return that you give your child permission to bring an electronic device to school and understand that the student takes full responsibility for their devices. The Villages Charter School or other students are not responsible for any electronic device that is misused, lost, damaged, or stolen, or for the loss of any data due to faulty connections or equipment failure.
