¡Hola!

**¡Bienvenidos a la clase de Español!
¡Hola marzo!**

During the month of March, students in 2nd grade will learn about “La comunidad”. We will concentrate on places, and the people that work in the community to make a better place.

Third graders will finish presenting their conversations at “El restaurante”, and will then move on to learning about months, seasons and weather.

Please, check my website for more information on what we are doing each week, practice opportunities (Quizlet), and also for PI tasks.

Never hesitate to contact me with questions or suggestions.
