

Test Strategies

- Do a text feature walk
 - Read the title and circle it
 - What other text features do you see?
 - bold letters (why did the author use bold/highlight/italics/underlining?)
 - Headings/Subheadings? (what is this section going to be about?)
 - footnotes? (what is being explained to me?)
 - pictures? (what is this picture saying? Is there a caption?)
 - other text features
- Read the questions. What skills are they asking me?
- Number the paragraphs
- Read the selection.

QUESTIONS:

- READ the question and STOP
- What two answers can I eliminate?
- Now go back into the text and find evidence for the correct answer.
- ASK YOURSELF: Does this answer the question correctly? Underline and put the number beside it.

LAST: Touch each number and each answer to make sure you didn't skip any questions.
