WELCOME BACK TO THE 2018-2019
SCHOOL YEAR!

I am so excited to begin our journey together. We will have lots of wonderful educational adventures this school year.

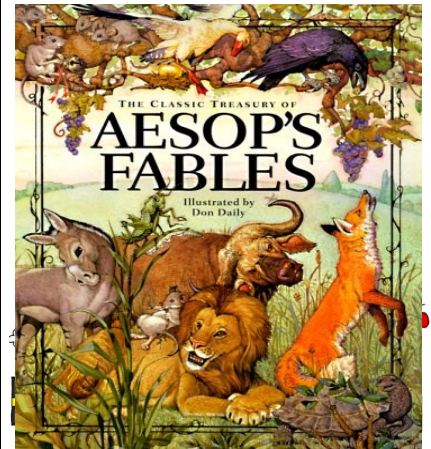

We will focus on mastering our state standards with scales that will allow students to drive their own education.

We also have a class set of chrome books this year. Students will use this excellent tool to enhance their learning.

I try to keep homework to a minimum in my class, so you can spend quality time together as a family.

Student attendance is of utmost importance, so we can take advantage of every school day minute. Thank you in advance for making sure your student is on time and well rested.

I look forward to working together to exceed your expectations for third grade!
