## PROCEDURES

**Daily Required Materials:** When the tardy bell rings, students should be in their assigned seat with their Chromebook, spiral notebook, and any other appropriate materials (bags are placed under the desk). We will be limiting the use of shared materials (books, pencils, etc...) So bring your chromebook fully charged each day. I would even suggest bringing your charger with you just in case your battery gets low toward the end of the day.

**Google Classroom:** Homework and classwork assignments will be placed in Google Classroom. Please keep in mind that Google Classroom is an extension of the classroom. Anything posted in Google Classroom will be treated as though it were stated openly during class. Parents should use the Teacher Connection page to view class details; however, any parent who is interested in learning more about class

activities and due dates should refer to the Google Classroom page. **Students will always be informed of due dates in a timely fashion.**

**Bell Ringer/Dismissal:** During the first 5 minutes of class, students will complete the daily bell ringer which will be on the projector/whiteboard. This is a graded assignment which will be turned in when requested by the teacher.

-Raise your hand to leave your desk for any reason (e.g., sharpen pencil) or to ask a question.

-If a student needs to leave the classroom for any reason (e.g., restroom), s/he must sign out with the teacher before leaving the classroom.

-At the end of the class period, when the classroom is in order and all students are in their seats, Mr. Stroud will dismiss you to leave, not the bell.

**Make-up Work:** All assignments will be posted in GoogleClassroom prior to the week in which they will be asked to be due. Students will not need to ask the teacher for physical copies of the assignment if they miss a day of class because everything will be in their GoogleClassroom already. Parents should monitor their child's GoogleClassroom if they would like to keep up with what is being taught throughout the week.

**Late Work:** Most work will be assigned in GoogleClassroom for the entire week. I will expect that students keep up with their assignments day by day (you can upload work into GoogleClassroom without submitting the assignment) and all assignments will be put in the gradebook by Sunday afternoon. Any and all assignments not turned into the teacher by Sunday morning at 8 a.m. will receive a zero. There may be exceptions to the assignments posted Friday (to give students a little extra time if necessary), but that will only be if the teacher has spoken with the student beforehand. For option 3, VCS online students, all work is due by Sunday morning at 8 a.m. of the week in which they were assigned.
