

# Something Special's Going On Here!

The Villages Charter Elementary School (Intermediate Center)  
**September 2017**

## Music

We are looking forward to presenting our Reading Celebration song "Super Hero" September 22nd! It not only sounds great but it will also look awesome with our hand movements. Words can be found in PDFs in Mrs. Britton's website.

The last week of September is Celebrate Freedom week in our great state of Florida. We will be participating by singing Patriotic songs including "Declaration Song" which uses the famous words from our Declaration of Independence and the lyrics can be found in PDFs on Mrs. Britton's website.

Hispanic Heritage Month runs from September 15 through October 15th and we will learn music and songs from Hispanic cultures.

Please feel free to contact us for P.I. or questions.

## Art

Here is what our artists will be learning in September.

**2nd Grade:** Learning the primary, secondary, complementary, analogous colors and then creating their own color wheel. Next, they will be studying the warm and cool colors and different types of lines.

**3rd Grade:** Studying and learning about the artist Salvador Dali and the art style of Surrealism and then creating their own Surrealism watercolor painting. Next, they will be creating a Sugar Skull for Dia De Los Muertes in appreciation of Hispanic Heritage Month.

Feel free to contact us by email at any time!

¡Hola!

### ¡Bienvenidos a la clase de Español!

During the month of September, third grade students will start reviewing vocabulary on animals, and we will learn adjectives to create animal descriptions. We will round up this unit by working on the project "Mi animal favorito".

Second grade students will learn vocabulary on family members, and they will create and label their personal family trees ("La Familia" project).

Also in September, we will discuss Hispanic Heritage Month, and the origin of this celebration of the Hispanic culture.

All classes are still practicing classroom rules and procedures that will help us have a wonderful year, full of learning and fun.

Please check my website to check what we are doing each week, and also for PI opportunities.
