

# The Villages<sup>®</sup> Charter School

July 28, 2023

The following pages display a quick snapshot of the state assessment scores for The Villages Charter School for the 2022-2023 school year. Page 2 of this executive summary outlines The Villages Charter School's (VCS) performance compared to the state and to our performance the previous year (2021-2022). For example, the first assessment (English/Language Arts/ELA) displays the Florida Assessment of Student Thinking (FAST) scores per grade level.

On page 2, column A lists the assessment grade level, column B the Florida state average, column C the Sumter County average, column D shows the Lake County Average, column E shows the Marion County average, column F shows the VCS average, column G compares the performance of this year's students at each grade level to the previous year (e.g., how this year's 3<sup>rd</sup> graders did compared to 2021-2022 3<sup>rd</sup> graders), column H compares a cohort group to their own performance last year in a comparable exam (e.g., how this year's 4<sup>th</sup> graders did compared to their own scores on the 3<sup>rd</sup> grade exam last year), and column I displays the score in 2022. Items in columns G & H that are in **red** indicate scores that were less than the previous year and items in black are increases. Page 3 shows a chart of VCS 2022-2023 performance compared to the Lake, Marion and Sumter counties as well as the state of Florida.
