## Spanish

**HOLA!** During the month of May **FIRST GRADE** will continue working on the weather and seasons. The second week they will take their End-of-the-Year Course Exam. We will finish up the year learning about the Spanish speaking country of Panama in Central America (where Señora Barker grew up).

**KINDERGARTEN** continues to have fun with animals. We are learning about pets and will finish with farm animals. We are also learning about the country of Spain (España).

It has been a wonderful year in the Spanish classroom. We continue to be so impressed with our little learners! It has been such a pleasure to work with your child this year. We hope that you have a fabulous Summer break and come back in August ready for more Español!

Señora Melendez y Señora Barker

## ART

It may be close to summertime, but the month of May is still a very busy time in the Art room! We can't wait for you to see all the beautiful pieces of artwork on display at this year's student art show. Hopefully we'll either see you Monday, May 7th for Kindergarten night or Wednesday, May 9th for First Grade. In the meantime, the Kindergarten students will finish up their jellyfish projects. We are using salt and watercolor paint to help make the ocean water look very realistic! The First Grade students are reviewing for their end of the year exam in Art. However, we are using some fun gameshow like devices the students call "clickers" to answer the questions with. We do want to thank you for a rewarding school year and we do wish you lots of fun times and great memories for this summer! Love, Mrs. Broaderick and Mrs. Sanchez

## PE

The month of May in Physical Education is going to be a busy fun filled month. We will start the month out with our Annual Arts in the Park. The students will be practicing a dance in class that they will be performing for this special event. The first grade students will have EOY testing for special area classes so there will be a modified schedule for all of the special area classes during the testing schedule. This all happens the first two weeks of May. The second half of May, we will have a week of Scooter activities and a week of Bowling. Let's not forget our Reading Celebration event which is **FIELD DAY** held on Friday, May 18th. We will be busy and active right down to our last day!! We wish everyone a safe and fun Summer Break!!

Coach Carmichael, Coach Connor and Coach Hicks
