Art

Here is what our artists will be learning in May.

2nd Graders are creating unique personal letter designs and brainstorming their favorite things. Next, they will be creating an Aboriginal art piece using paint dots.

3rd Graders are creating a Folk Art pinch pot and learning different clay building techniques. Next, they will be studying and taking their end of the year exam. The computer based exam is taken during their normal art class between May 10th -17th.

All student artwork will be returned before the last week of school. Have a lovely summer!

PHYSICAL EDUCATION

This month we will be teaching a Volleyball Unit. Students will learn how to strike a beach ball over a net while learning how to work as a team. Also, we will be taking our P.E. End of The Year Exam for 3rd grade. This is a short test on a computer see what they have learned throughout the year with regards to the Florida Benchmarks and Standards. Congratulations to all the students who earned The Buffalo Fitness Award this year! Have a great Summer!

Spanish

¡Bienvenidos a la clase de Español!
¡Hola mayo!

During the month of May, all classes will review content learned throughout the school year.

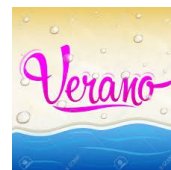

Third graders will take their End of the Year Exam during the week of May 10th-17th. We will be using study guides for reviewing; those will be sent home a few days prior to the test, for extra practice at home.

Also, all classes will discuss and work on a project on "5 de mayo", a Mexican holiday that is very popular in the US as well.

Never hesitate to contact me with questions or suggestions.

I hope you and your family have a safe and fun summer!

¡Felices vacaciones!
