

The Villages® Charter School

Elementary School

August 16, 2018

Dear Parents,

A wonderful opportunity is awaiting you! The Elementary School will be hosting our OPEN HOUSE on the following dates:

Primary Center - Monday, August 20th
Intermediate Center - Monday, August 27th
4th & 5th Grade Center - Tuesday, August 28th

This will be a special time for parents to learn about the curriculum used in the classroom. You will hear about your child's daily schedule and learn valuable tips on how to help your child at home. Your child's homeroom teacher has planned a very informative presentation and we hope you can join us. The schedule will be as follows:

Open House Begins: 6:00 PM		
Welcome & Announcements	6:00 - 6:05	
Session One	6:05 - 6:45	Teacher Presentation
Session Two	6:50 - 7:30	Teacher Presentation

The two sessions are designed to offer you the opportunity to visit with our special area teachers too. Our special area teachers (art, music, Spanish, P.E. and media specialist) have an informational presentation for you to attend during both of the sessions. All teachers will have the same presentation during both sessions. To help prevent overcrowding in the classrooms, it would be greatly appreciated if everyone with a last name beginning with A - L would attend the Special Areas Presentation during the first session. All parents with a last name beginning with M - Z will attend their child's classroom teacher presentation during the first session. For the second session the groups would then switch.

The open house is designed for parents to get to know the teacher, classroom procedures and policies as well as learn how to help your child do their best. It is our hope that your time spent here helps to ensure a successful year. We ask that students and siblings not accompany you for the open house so that your attention may be focused on the information that has been prepared for you by the teachers. The school playground will be closed during open house.

We will use the scanners to track Parent Involvement for this event so please bring your PI card.

See you soon!

Mrs. LeAnne Yerck
Principal
