

Dear Parent/s,

I want you to know how excited I am about having the privilege of teaching your child this year. I know that being your child's teacher is a big responsibility and requires tremendous trust from you. I feel that my role as a middle school teacher is to challenge your child to reach his or her full potential. I hope that each day as your child walks through my door, he or she feels accepted, capable and motivated. I am committed to making this a truly great year! I look forward to watching your middle schooler learn and grow.

Let me tell you a little bit about myself. I am happily married to my husband of 19 years, Brian Williams. We have 2 children, Ainsley (15) and Braxton (13). They are so much fun! I'm a Texan, and I love the Dallas Cowboys. I have 14 years of teaching experience. I delight in every minute I can be in the classroom!

I look forward to working with you to ensure a successful year for your child. Please contact me with any questions. I am confident we will make a great team! It is going to be a fantastic year!

Sincerely,

Brooke Williams

“Coming together is a beginning; keeping together is a process; working together is success.”
